### **Plugged in – but NO Power**

The other night, I was charging my iPad, and had it plugged in all night. What a surprise the next morning to see that my iPad only had a very little charge. “Plugged in, but no power”.

Evidently, there is a short in that cord, and it does not work properly, even though “plugged in, but no power.”

What about our lives? Are we “plugged in, but no power”? In other words, in Christ, connected to the Power, but we have no power? At one time, we seemed to have power, excited about the cause of Christ, soul conscious, didn’t want to miss one service of meeting with the saints, talking to others about the Lord, inviting people to come visit with us, but time passed, . . . and now we just don’t seem to have that same level of involvement or commitment.

Our Tuesday class is having wonderful studies on Revelation, and looking at the seven congregations in Asia Minor. One congregation had become “lukewarm”, the church in Laodicea. “I know your works, that you are neither cold nor hot. I could wish you were cold or hot. <sup>16</sup>So then, because you are lukewarm, and neither cold nor hot,<sup>[s]</sup> I will vomit you out of My mouth. <sup>17</sup>Because you say, ‘I am rich, have become wealthy, and have need of nothing’—and do not know that you are wretched, miserable, poor, blind, and naked— (Revelation 3: 15 – 17).

Let’s always be vigilant in our faithfulness to the Lord!

Let’s be a going, growing congregation for the coming Savior.

***Encouraging Scripture***  
*2 My brethren, count it all joy when ye fall into divers temptations; 3Knowing this, that the trying of your faith worketh patience. 4But let patience have her perfect work, that ye may be perfect and entire, wanting nothing. 5If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and upbraideth not; and it shall be given him. 6But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed.*

***James 1:2-6***

**A couple weeks ago you were given an opportunity to tour the classrooms and get an up close look at what the teachers and students are doing. If you think teacher or assisting might be something that you would be interested in learning more about, be sure to talk to Jason Parscale and Gary Atkins. Ooltewah is always looking for more teachers, helpers, and fill-ins. Jason and Gary would love to tell you more about the teaching program at Ooltewah!!**
