*Ooltewah Church of Christ*

3206 Ooltewah - Ringgold Rd.

Ooltewah, TN 37363

August 20, 2017

One of the things that my father-in-law really enjoyed in the summer months was watermelons. He would love cutting into them, dividing them up, and biting into that sweet, refreshing melon.

Water melons come in different sizes and shapes – big ones, small ones, oval ones, round ones, those with seeds and those that are seedless, even different colored “meat” – red ones, and I have even seen a “Tennessee Orange” meat in a watermelon.

Think about a couple of lessons from watermelons: 1. Those differences, yet still watermelons. We have Christians who are different nationalities, different sizes, different shapes, different colors – yet still brothers and sisters in Christ.

2. The refreshment that watermelon gives. In the world in which we live, with so much sin, violence, destruction, factions – brothers and sisters in Christ should live such a life as to give a refreshing difference in the world.

Let’s live our lives focused on Jesus and His word, obedient, and of service, and God gives the increase!

Let’s be a going, growing congregation for the coming Savior!

#### Lessons from Ecclesiastes

*2 Do not be rash with your mouth, and let not your heart utter anything hastily before God. For God is in heaven, and you on earth;*

*3 For a dream comes through much activity, and a fool's voice is known by his many words.*

*4 When you make a vow to God, do not delay to pay it; for He has no pleasure in fools. Pay what you have vowed.*

*5 Better not to vow than to vow and not pay.*

**Ecclesiastes 5:2-5**
