Did you know?

“The Bible was written by about forty men over a period of 1,600 years. It was divided into chapters and verses in 1250 by ‘Cardinal’ Hugo. (The New Testament was divided into verses by Robert Stephens in 1551.) The Bible contains 3,566,480 letters, 773,746 words, 31,102 verses, 1,189 chapters and 66 books. The average word in the Bible contains fewer than 5 letters.

The words ‘Jehovah’ and ‘Lord’ occur 8,708 times and the word ‘reverend’ occurs only once (Psalm 111: 9) referring to God. The Old Testament was translated into Greek in 270 B.C.

The Bible is the first printed book. It was first reprinted in 1450. The first Bible printed in America was in an Indian language in 1663.

The Bible is the best seller in the world, printed in most of today’s tongues. It is the only Book that reveals the origin, mission and destiny of man. It is a text book on salvation. There is no conflict between the Bible and true science.

This article is borrowed. I hope it encourages us in realizing the value and importance of the Bible, God’s authoritative word, and for us to be a going, growing congregation for the coming Savior!

The Way, the Truth, and the Life

1 Let not your heart be troubled; you believe in God, believe also in Me. 2 In My Father's house are many mansions, if it were not so, I would have told you. I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also. 4 And where I go you know, and the way you know. 5 Thomas said to Him, Lord, we do not know where You are going, and how can we know the way? 6 Jesus said to him, I am the way, the truth, and the life. No one comes to the Father except through Me.

John 14:1-6
