**August 12, 2018**

It is nearing that time of year for so many ... Back to School, whether teachers, or students in elementary, middle, high school, or college levels.

However, let's not forget the weekly opportunities that we have yearly, as students of the Bible in our Bible classes. Bible learning is a "continuing education", "life-long learning" experience!

To our Bible class teachers, we say thank you. To our devoted students, no matter the age, we say thank you. To the daily Bible readers, we say thank you. To those who participate in the Thursday class, we say thank you. To those who are involved in Bible study at the Chattanooga School of Preaching and Biblical Studies, we say thank you. We have so many wonderful opportunities to study the most important Book, the Bible.

Let's encourage one another in our study of the Bible and in attendance in our Bible School classes.

In HIM,  
~Larry Judd
