August 19, 2018

Can you believe the year is already half over??? So, time for a check-up. Time for encouragement. Time to look at the results.

- We set a theme for the year, "Inward, Outward, Upward" – how are we doing?
- We set some goals and objectives in a January Men's Planning Session – how are we doing?
- Some set personal New Year's Resolutions – how are we doing?
- As a congregation, we want to grow spiritually and numerically – how are we doing?
- We want to show forth our love for one another, beyond the walls of the church building – how are we doing?
- We want to be encouraging, involved and active for the Lord – how are we doing?
- We want to worship in "spirit and in truth" – how are we doing?

After a medical checkup, you have the exam, then study and act upon the results. How are we doing on our check up, as individuals and as a congregation. We have a check up, let's study it, and act upon it where necessary.

Words of Wisdom

Prayer is not a "spare wheel" that you pull out when in trouble, but it is a "steering wheel" that directs the right path throughout the journey.
