**November 18, 2018**

We are approaching "Thanksgiving", a time of fellowship, **eating**, family, **eating**, watching football, **eating**, playing games, **eating** ... being thankful!

However, we not only should be thankful on this day set aside and called "Thanksgiving", but we should be thankful and grateful every single day that God has given to us.

1<sup>st</sup> Thessalonians 5:18, "give thanks in all circumstances; for this is the will of God in Christ Jesus for you."

1<sup>st</sup> Chronicles 16:34 (ESV), "Oh give thanks to the Lord, for he is good; for his steadfast love endures forever!"

Enjoy this time of year, being together, however be thankful to our God every day of the year!

**It Is Hard**

...To convince your children that the Church is the most important thing in the world when you are negligent about attending its services and supporting its work.

...To convince your children that the Church is the greatest institution in the world when you permit them to miss services to go elsewhere.

...To convince your children that the Church is to be held higher than anything when you insist that they do their homework for school, but permit them to neglect their Bible study.

...To convince your children that they should respect the Church when you continually criticize the leadership and belittle the work others are doing.

***Your children are watching you. Be mindful of the lessons they are learning from you.***
