Shh.....

There are some topics that just seem to be those that are not discussed, taboo, just kept quiet, swept under the rug, yet they are real! ***Depression is one of those topics!***

Did you know that over 16 million Americans suffer from depression each year? We are approaching the time of year, when many lives just don't seem to measure up to all the joy depicted with the glittering lights of the seasons, aren't depicted by the Norman Rockwell pictures of family togetherness and happiness, don't measure up to the Hallmark Holiday Movies, and we wonder "what's wrong?".

Some depression may be a physical diagnosis, a mental situation that requires medication. Often times there is a stigma associated with it. However, do we hesitate to take an antibiotic for an infection? Do we hesitate taking a cough medication for a persistent cough? No stigmas with those. Sometimes medication is necessary.

However, let's not negate or overlook the joy that Jesus wants us to have. John 10: 10 (NKJV), ***"The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly."*** Philippians 4: 4, (NKJV) ***"Rejoice in the Lord always. Again I will say, rejoice!"***

Let's be loving, helpful, compassionate – realizing that some may have an empty place at the table, some may not have family in the area, some may have family members who are deployed, some may be shut-in with illness or frailties. Let's look for opportunities to serve, and help share the love, joy, and happiness of Jesus.

With love and compassion,
Larry
