Been To The Doctor Lately?

I really don't know of anyone who enjoys going to the doctor for some sort of examination. Those examinations are NOT always the most pleasant thing to endure. However, they can be very important and possibly life saving.

What about having a “spiritual examination” by the Great Physician? What we see and find out may not be very pleasant to our hearts and ears, yet it is what we need to heed. Not only can it be life saving in this world, but also in eternity.

Are we a friend to the Great Physician? A quick response of “yes” may be replied. But, not so fast. The Great Physician said, “You are My friends if you do whatever I command you.” (John 15:14)

Are we following the Great Physician's prescription in our attitudes towards one another? “Oh yes” you respond. “I'm like Will Rogers, Never met a man I didn't like.” Really? The Great Physician said, “This is My commandment, that you love one another as I have loved you.” (John 15:12)

Are we following the Great Physician's instructions on a “maintenance program”? “A what?” you question. The Great Physician said, “As the Father loved Me, I also have loved you: Abide in My love.” (John 15:9)

The Great Physician said what He means, and means what He said!

Living Your Thanks

Remember the "magic words" we teach our children? **Thank you!** It's a statement of appreciation and gratitude for what one has received. Those words are even more effective if we live our lives by showing how **thankful** we truly are.

May we always recognize and show our appreciation for what others do for us on a daily basis. More importantly, may we always be mindful of the blessings we receive from God and show Him through the lives that we lead, how thankful we really are.
