## **Life Is A Gift**

Today before you say an unkind word,  
think of someone who cannot speak.

Before you complain about the taste of your food,  
think of someone who has nothing to eat.

Before you complain about your husband or wife,  
think of someone who's crying out for a companion.

Today before you complain about life,  
think of someone who left this earth way too soon.

Before whining about the distance you drive,  
think of someone who walks the same distance.

And when you are tired and complain about your job,  
think of the unemployed, the disabled,  
and those who wish they had a job.

And when depressing thoughts seem to get you down,  
put a smile on your face and remember  
that you're alive and still around.

Always foster an attitude of gratitude  
and be grateful for the life you have.

After all, life truly is a gift.

## The Best Gifts to Give

Give of yourself to God and take time to share your affections with those who need the gift of encouragement, the gift of laughter, or the gift of just listening. There is joy in giving!
