Strengthening the Weakest Link

Have you heard the expression that "a chain is only as strong as it's weakest link"? Have you also noticed the tactics of those outside the church, as they look at members of the church? How do they "paint a picture" of the church? Do they look at the strongest members, the most faithful members, those that put the scriptures into practice in all aspects of their lives? OR, do those outside the church "paint a picture" of the entire church by looking at the weakest link? Seeing the sins, shortcomings, inconsistency in "weak link" lives and "paint the entire church" with a swoosh of that brush – looking at the weakest link?

There is a time for the milk of the word with a new Christian; however there needs to be growth to maturity. There needs to be a knowledge of the A, B, C's, but growth to using those A, B, C's in reading and writing.

Our goal should NOT be to be the weakest link, but rather to develop into a strong link!

Ephesians 6: 13, "Therefore, take up the full armor of God, so that you will be able to resist in the evil day, and having done everything, to stand firm." (NASB)

Let's be a going, growing congregation for the coming Savior!
