The "Foyer"

Imagine walking into a foyer of a building, and it is simply gorgeous. However, it is the foyer ... the entrance into the building, the hallway into the building. If the foyer is this beautiful ... wait until you see inside the building!

Now, stop and think about your life. You've been richly blessed. Sure, there have been some ups and downs, but living in the comforts we have, surrounded by the beautiful scenery of our area, and having the close friendships that have formed throughout our life.

However, life is only the foyer to the future!

As the words of the hymn say, "This world is not my home, I'm just a passing through, my treasures are laid up Somewhere beyond the blue."

As a child of GOD ... don't get attached to the nice things of this world, it's only the foyer for the future.

As a child of GOD ... think about the future, eternity in the presence of GOD ... forever and ever.

As a child of GOD ... think about the future of being with the redeemed of all ages.

As a child of GOD ... relief, reunion, reward!!!

The "foyer" of life may be nice, but nothing to compare with the "future" abode in heaven!

With great love,
Larry
