Hello brothers and sisters,
I hope all is going well with everyone. Last month someone sent a generous amount of extra money to me. I do not know who it was, but God bless you. It has helped me tremendously. We have one more week for finals and a week long door knocking campaign and the quarter is over! I had the privilege of going to CYC with some of the faculty and students this weekend. I worked the geography games at our booth. We were able to promote the school well.

I am indebted to all of you for supporting me while I am here. I am able to do more work for the Lord than I could ever dream of while I am here. I will continue to keep you all updated on my progress.

In Christ,
Brad Kilgore
