What Goes In Will Come Out...

What goes into your mind is extremely important. Be careful about the interests you acquire, the tastes you cultivate and the desires you develop. They shape what goes into your mind. The conversations you listen to, the scenes you observe on computers, the movies and TV programs you view, magazines and books you read, the songs you listen to, the jokes you laugh at all have a part in feeding information into your mind. Be particular and selective about what goes into your mind. If you allow garbage to go in, then garbage will come out in the form of words and deeds. Sooner or later, it will find expression in your life and make itself known.

Please don't forget to email, text or call me with updates/additions/deletions to the prayer list. I need your help to keep this list current. Thank you!
