Thank you all for the work you're doing!

We are super proud of our high school graduates and we just know that they will accomplish great things in the future. If we've missed anyone, please let us know so that we can share their accomplishment with the Ooltewah family.

We also wish to congratulate **Hana Dedmon** who graduated with an Associates's Degree back in December. It's also just recently come to our attention that **Eric Garner** received a Graduate Degree in December. Hana and Eric, your Ooltewah family is very proud of you!!

We are looking for 3 more people willing to be trained to help with the live stream. No previous technical knowledge is needed. Please see David Wheeler as soon as possible for more information.

We are happy to announce that Roger and Cathy Gilbert have decided to be a part of the Ooltewah Family. We are looking forward to working and worshipping with them.
