Words To Ponder

"Are not five sparrows sold for two farthings, and not one of them is forgotten before God? But even the very hairs of your head are all numbered. Fear not therefore: ye are of more value than many sparrows" (Luke 12:6,7).

Consider how we relate to celebrities. We are constantly given entrance into their lives through various media and almost feel like we "know" them in some regard though they would not know us from "Adam" or "Eve".

At times, we may view God this way. We are always learning of Him but does He really know us? Does God pay attention to us? YES!

God knows every minute detail about us, even the very number of hairs on our head. He is intimately aware of every circumstance we face. God is not a "dead beat dad" or "absentee father". He is daily active in the life of the faithful through His providential care though we are not physically aware (Ps 55:22). When it feels God is far, know that He is only a scripture and prayer away!

Cards for Sam Townsend

We're now able to send cards and letters to Sam but they need to come from an approved address. At this time, if you would like to write him a card or letter you can do so and give it to Denny Howell and he will take care of getting it to Sam.
