3 Legged Chicken

Can you imagine a chicken running 70 mph? Apparently, there is a story of a man who was driving along a country road and come across a chicken that was outrunning him at 70 mph until the chicken turned into its home on a farm. Amazed, the driver stopped to talk to the farmer and ask if he knew his chicken could run that fast. The farmer come back with, "Oh you must mean our 3-legged chicken." And then went on to explain that the family only likes to eat drumsticks when eating chickens. Therefore, they decided to breed 3-legged chickens.

The driver asked how it was turning out and if they tasted any good with 3-legs? The farmer sighed and said, "I don't know, we haven't been able to catch one yet".

What is your 3-legged chicken? We all have one, it is whatever we love most and since it is what we love most, that is where all of our pursuit is. It is where we spend our time and energy. In Mark 12:30, Jesus says greatest command is to "Love YOUR God with all your heart and with all your soul and with all your mind and with all your strength" Then the second greatest commandment is to love your neighbor as yourself" (v. 31)

We need to be pursuing GOD in everything we do! If we are pursuing God, then He will be what we love the most. If we love Him the most, then we will love others the way we should as well!!
