Isn't It Strange?

-David Roper-

"Only that which is done for the Lord will last." Think about that.

You work hard for a living. You bring home the pay check. It goes for groceries, utilities, clothes, furniture, car payments, house payments, insurance and the list goes on and on....

Now in just a few years, the furniture will be worn out, the clothes will be outgrown or in need mending and you'll have to trade for a new car or even a bigger house. Just a few more years and you will be gone and what you ate or drove or lived in will make no difference at all. Only one thing will remain - what you did for God!

In light of this fact, isn't it strange to see men and women so very carefully planning their lives and questioning how they are going to get the physical necessities and luxuries of life, yet they leave God out of all those important plans.

When we stand before God in Judgement, we are not going to be asked, "How big a house did you have?" or "How much money did you make?" or "How pretty was your furniture?" The question you will likely hear is "What did you do for my cause?" It's something we should all be thinking more about.

There will NOT be a Men's Breakfast **during the month of September**
