I have several little devotional books in my library that I use to help in my personal study. There is one entitled "Five Minutes with God" and has several volumes. But there was one study that I wanted to share. Go read John 1:1-5. Go ahead I will wait. No, really read it.

When we think of Jesus, we often limit our thoughts to His life here on Earth. We think of Him being a teacher, servant, miracle-worker, example, and a sacrifice. But John introduces Jesus as being something more than a man. As the "Word", John reminds us that Christ is eternal in nature, one with God, there in creation, and the life-giving light to the world. He is God, life, light and the way of salvation; the eternal, perfect in every way, infinitely powerful, all-knowing, ever-present prince of peace the Son of God.

Yet, He willingly took on flesh and came to this world to take the punishment for our sin; our Savior! The Son of God became the Son of Man to dwell among us to experience humanity with all of its trails and temptations in order that He could be our ultimate mediator between us and God.

What amazing LOVE and what a SAVIOR!

Denny Howell

The fifth Sunday of this month, October 30th, the entire contribution will go to the Building Fund.
