**"Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (James 1:17).**

**The atheist, skeptic, and agnostic will focus on all of the "bad" in the world to prove there is no God. Interestingly, if there is no God, then "bad" is an abstract term. I often wonder why they credit God with "bad" but not with "good". They will indict God for the "bad" but not praise Him for the "good" in their lives.**

**"Goodness" is one of the evidences for God. He is providentially responsible for every good thing that happens in our lives. Whenever we are "looking" for God's presence, just pay attention to the income, food, clothing, shelter, portion of health, loved ones, etc., that fill our lives. God is there!**

**Eric D. Garner**
