"A man that hath friends must shew himself friendly: and there is a friend that sticketh closer than a brother" (Prov 18:24).

A positive attitude is infection, unfortunately, so is a negative attitude. Some people just draw others in with their personality while others drive them away with their grumpiness.

It is interesting that our attitudes can impact our evangelism. As Christians, our attitudes should make people want what we have (Jn 10:10; James 3). Some Christians' attitudes would make you think they were baptized in pickle juice! Why would anyone want that?!?

People were drawn to Jesus because He was friendly and inviting (Mt 11:28-30; 1 Pt 4:9; Rom 12:3). Let Him be our example (1 Pt 2:21)!
