---

We live in world where there are role models everywhere. Some good and some bad. We should really make sure who we are looking up too. One of the best places to look is in the Word of God.

We should dare to be like Daniel and his friends. They made sure to put their faith in the Lord, no matter that they were facing death. The world was against them and the rulers wanted them to go against God, but they did not. They stood boldly before the Lord. Due to standing firm with God, they were thrown into a fiery furnace and the lion's den. What I love about these role models is that they had faith in God, whether they lived or not. God indeed kept them safe and delivered them as promised.

So, what can we learn from Daniel and his friends? No matter our hardships in life, we still need to go to God. We need to have faith that he will lead us through and direct our paths. We only need to trust in Him.

Just imagine what could happen if we put our faith in God!

I love you all!

Denny Howell
