“Because the foolishness of God is wiser than men; and the weakness of God is stronger than men” (1 Cor 1:25).

This world belongs to the adversary (Eph 2:1-3) and because he has his ministers (2 Cor 11:13-15), his influence is disseminated through various outlets (politics, educational institutions, private corporations, social media). These various “ministers” ridicule Christians and refer to us as “archaic, unintelligent, gullible, simpletons” who believe in the “fairytale” of Jesus. They tell us to “follow the science”. Well, Paul told Timothy to beware of “false science” (1 Tim 6:20).

On God’s dumbest and weakest day, He is smarter and stronger than man on man's smartest and strongest day.

Trust God’s wisdom and His science which has always been in harmony with true wisdom and true science.
