Ushers / Security

There are still several months open for those who wish to serve in our Usher / Security program. Please see the sign up sheet on the table in the foyer. You can contact Daniel Ramsey if you need more information about this work.

“Come unto me, all ye that labour and are heavy laden, and I will give you rest. 29 Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls. 30 For my yoke is easy, and my burden is light” (Mt 11:28-30).

We are so very blessed in life that we often take those blessings for granted. Perception and perspective are first cousins. Perception is what we interpret. It is our understanding of a given situation, person, or object. Perspective is our point-of-view shaped by experiences. It is the lens through which we see the world and determines how we view ourself and others.

There are different perceptions and perspectives of life. As we assess the various situations in which we find ourselves, some will note that things could be much worse, while others will note that it just cannot get much worse. Isn't it interesting that Jesus called for those who are weighed down by labors to take on His burden? The burdens of the world bring exhaustion, fatigue, and hardness (Prov 13:15), but the Lord's burden brings peace, rest, and comfort (Rev 14:13).

What is your perception and perspective of the Lord's burden? Whatever it is, know that His burden is the exact opposite of the world's burdens (1 Jn 5:3).
