“But he that had received one went and digged in the earth, and hid his lord’s money” (Mt 25:18).

Always taking the “easy” route feels “safe” but it will never allow one to accomplish their full potential. God’s people, throughout holy writ, have always taken “calculated risks”. Sure, they didn’t just “throw caution into the wind” but they calculated the results of trusting and believing God as they operated in His will against not trusting and believing God. As long as we ask according to His will (1 Jn 5:14), God wants to grant us the desires of our heart (Ps 37:4).

So, you want to start a family, go back to school, go for that promotion at work, start a “bucket list tour”, etc.? What’s stopping you? Don’t let “safety” impeded your progress (Eccl 11:4-6).
